

SPARK of Life®

multi-nutritional supplement drink

- Other
Essential
Ingredients:
- ✓ Grape Seed Extract
 - ✓ Coenzyme Q10
 - ✓ Aloe Vera
 - ✓ Cat's Claw

**The Complete
Dietary Supplement**

Spark of Life® Plus is perhaps the most powerful combination of herbs, vitamins, minerals, amino acids and essential fatty acids on the market today. It is designed to provide the body with essential nutrients that supply an adequate energy level and support overall health in an easily digestible form. Poor nutritional habits, fast foods and lack of exercise can weaken the immune system, causing poor health conditions. By taking Spark of Life® Plus, you can help increase your energy and overall health.

Essential Ingredients

1. Minerals are necessary for 95% of the body's daily functions. Without proper mineral supplementation, the vitamins and foods we consume will not be utilized to their full capacities. A proper mineral-enriched diet provides the body with a higher energy level, due to better assimilation and utilization of the foods and supplements we consume.

2. Amino Acids are the building blocks of the body. As different combinations of amino acids are needed to perform different functions in the body, the depletion of aminos reduces the body's ability to maintain normal bodily functions.

3. Essential Fatty Acids cannot be produced by the body and must be supplied through the diet. Essential fatty acids aid transmission of nerve impulses and are needed for normal brain function. They also aid in balancing blood pressure and stabilizing cholesterol and triglyceride levels. Deficiencies of these fatty acids can lead to several debilitating conditions.

- Historical
Benefits at a
Glance:**
- ✓ Increases energy and metabolism
